Registration for private swim lessons is available in person only.

### Water Introduction

**6 months - 5 yrs.**

**8-week sessions / 30 minutes**

**FREE**

*An adult MUST be in the water at all times during the first few classes.* Children that are ready will participate in the last few classes of the session without a parent in the water. Instructor to participant ratio is 1:8. This class builds swimming readiness by emphasizing fun in the water. Adults and children participate in guided classes during which children learn elementary skills such as water entry & exit, blowing bubbles, freestyle arm movement, backstroke arm movement, underwater exploration, flutter kicking, and floating positions. Exit Skills needed to progress to next class are the ability to be comfortable in the water without a parent/guardian, ability to listen and take direction in a group setting, submerge face underwater and be comfortable in a front float position. After a child completes all required skills, he/she should be placed in Water Independence.

### Water Independence

**3 – 12 yrs.**

**8-week sessions / 30 minutes**

**FREE**

Children must be comfortable being in the water without an adult, ability to listen and take direction in a group setting, submerge face underwater and be comfortable in a front float position. Skills taught in this class include: retrieving a submerged object, independent forward motion using arm & leg motions, independent use of a kickboard, and floating on front and back for 5 seconds and basic water safety skills. Exit skills needed to progress to the next class is ability to propel forward independently, front float, roll over to a back float and hold for 5 seconds and swim back to start. Instructor can help propel child back to start. The second exit skill able to propel forward on their back with minimal support After a child completes all required skills, he/she should be placed in Stroke Introduction.

### Stroke Introduction

**3 – 12 yrs.**

**8-week sessions / 45 minutes**

**\$35/session**

Students enrolled should be between **3 to 12 years old**. Classes will be taught moving into progressively deeper water throughout the session. Children must demonstrate exit skills from Water Independence (propel forward on back with minimal support, front float, roll over to a back float and hold for 5 seconds and swim back to start. Instructor can help propel child back to start). Skills taught in this class include: Backstroke, Elementary Backstroke, Freestyle, learn all swimming kicks, deep water entries, treading water and basic water safety skills. Exit skills needed to progress to the next class is to swim 10 to 15 yards demonstrating Freestyle, Elementary Backstroke, Backstroke, and treading water for 30 seconds..
